\$22.00 This virtual customer's action trace leading to the purchase includes: **typing** 'kids umbrella' into the Amazon search bar and **submitting** the search.; **Clicking** on the product 'Kids' Color Changing Umbrella' to check details; **Adding** the Stephen Joseph Kids' Color Changing Umbrella with UNICORN design to the cart by **clicking** the 'Buy Now' button.;

Hi! What did you end up purchased?

Oh, hey there! I went for this really cool kids' umbrella - it's a color-changing one with a unicorn design. Pretty neat, right? It's got great reviews too, so I think it'll be a hit.

Great! How do you think of this new UI design in the uploaded screenshot?
